

## Cookie Policy for the Web Service Provided by MedUniverse

### Introduction

This web based platform for interactive content is provided to you by Med Universe AB (MedUniverse). We make use of cookies to provide our service. In this Cookie Policy, we explain what cookies are used and for what purpose.

### What are cookies?

A cookie is a small piece of text sent to your browser by a website you visit. Some cookies are also stored in your browser. Cookies help the website function and remember information about your visit, which can make it easier to visit the website again and make the website more useful to you.

### What cookies are used by MedUniverse?

MedUniverse makes use of the following types of cookies:

- Necessary cookies
- Statistics cookies

**Necessary cookies**, provided by MedUniverse and by third parties, enable basic and essential functionalities in our web service, such as keeping track of your session and your cookie preferences. The web service cannot function without these cookies; hence you cannot opt out of them.

From	Purpose
MedUniverse (1 <sup>st</sup> party)	Session management
Sentry (3 <sup>rd</sup> party)	Performance monitoring
Cookiebot (3 <sup>rd</sup> party)	Cookie consent management
Usercentrics GmbH (3 <sup>rd</sup> party)	Cookie consent management

**Statistics cookies**, also provided by third parties, track browsing behaviour and interactions, to help us measure traffic, identify potential errors, and to improve our service.

From	Purpose
Sentry (3 <sup>rd</sup> party); sentry.io	Error tracking
Matomo (3 <sup>rd</sup> party); formerly Piwik; pk_	Web analytics

The above cookies used by MedUniverse do not store any personally identifiable information from you.

### Changes to this policy

The cookies used may change from time to time, as may this cookie policy, as legislation and industry standards evolve and as we enhance our service.

### Disabling cookies

You can prevent the setting of cookies on your browser. Refer to your individual browser's help section for guidance. Please note that disabling cookies might negatively affect functions and features in the MedUniverse web service. To optimise your experience, we recommend that you accept the cookies that we use. You can manually clear cookies from your browser at any time.
